About the Class

Grading and Homework policy:

There will be three main criteria to determine the math grade.

1. Test average worth 60% of final grade
2. Quizzes, participation, et al. average worth 20% of final grade
3. Study Team Tasks and Homework average worth 20% of final grade

8 Math Truths

1. Everyone can learn Math to high levels
2. Believe in yourself, it changes what you do
3. Math is about creativity and making sense
4. Mistakes and challenges are the *best* times for your brain
5. Math class is about Learning **not** *performing*
6. Questions and discussions deepen your mathematical understanding
7. Visualize and make connections to strengthen your brain
8. Depth is more Important than Speed

Homework (Home *Practice*)

- Daily (except Fridays!)
 - Two parts
 1. “Target Practice”: 3-5 problems each night
 2. Problem of the day/night: 1-2 problems
- * “Target practice” is given on Monday 😊

Receiving Credit

- Stamp homework at beginning of class
- Stamp classwork at the end of class
- Collect composition notebooks at the end of the week
- Students grade for the week is based of their stamps
